

SCA 2010 SUMMER READING LIST

Below is a list of the required summer reading books for each grade level. We encourage you to purchase your books early in the summer in case the bookstore of your choice needs to place an additional order. These books will be available at The Source, the bookstore at Sherwood Baptist Church. Please refer to the given ISBN number when purchasing a book. No particular ISBN is given for high school; however, all books must be UNABRIDGED.

Students will need to bring all books to class on the first day of school and be prepared to take a test over their books during the first full week of school.

Literature Response Packets: Students need to complete the corresponding literature response packets to assist the students with understanding as they read through their books. These packets are available online at www.scaeagles.com and www.edline.net under "Summer Reading Lists." There will also be hard copies of each grade level packet available at both campuses. These packets need to be turned in at the beginning of school for a grade.
